◎ Support for Foreigners

One of the International Exchange Section's major responsibilities is **assisting foreigners living in Iwamizawa**. This assistance can take a variety of forms, including:

- ◎ Japanese-English interpreting at the City Hall (to assist with city services) or local hospitals (in case of emergency)
- ◎ Translating certain official documents such as birth certificates or marriage registrations
- ◎ Current information about activities taking place in the area
- ◎ Information on the International Exchange societies in Iwamizawa

Please contact us if you have questions about these services, or any other queries. We will do our best to assist you directly or find someone who can.
